

CALL FOR PROPOSALS FOR CEI UNIVERSITY NETWORK JOINT PROGRAMMES A.Y. 2010/2011[?]

Deadline: 20 November 2009

1. GENERAL INFORMATION

a. THE CENTRAL EUROPEAN INITIATIVE

The Central European Initiative (CEI) is composed of 18 Member States: Albania, Austria, Belarus, Bosnia and Herzegovina, Bulgaria, Croatia, the Czech Republic, Hungary, Italy, Macedonia, Moldova, Montenegro, Poland, Romania, Serbia, Slovakia, Slovenia and Ukraine, embracing a territory of 2.4 million square kilometres and a population of nearly 260 million.

From the very beginning, the main aim of the Initiative was to help the countries in Central and Eastern Europe in their transition process and their efforts at approaching the EU. Although the CEI is not a major donor organisation, it disposes of several funds which are used to promote projects in diverse sectors of activity. The accession of five CEI Member States to the EU in May 2004 and 2006 has shifted the CEI focus towards those Member States which remain outside of the EU. By developing and implementing various projects and programmes, the CEI assists its Member States in a demand-driven manner.

b. THE CEI UNIVERSITY NETWORK

The CEI UNIVERSITY NETWORK (CEI UniNet), established in 2004 is CEI's main activity in the field of Education.

The idea was launched on the occasion of the Summit Meeting of the Heads of Government of the Central European Initiative held in Trieste on November 21-24, 2001.

The Founding Charter of the CEI UniNet was endorsed by the Heads of Government on the occasion of the CEI annual Summit held in Warsaw in November 2003.

The CEI University Network is based in Trieste (Italy) at the CEI-ES headquarters and is headed by the Rector of the University of Trieste in his capacity of Secretary-General.

The CEI UniNet is a network of universities in the 18 CEI Member States and is based on the principle of mobility of students and teachers at academic level for specific Joint Programmes through teaching grants and scholarship awards. The selected Proposals will receive a contribution in order to facilitate the above-mentioned mobility.

2. SELECTION CRITERIA

- a) Co-operation within the CEI University Network takes the form of Joint Programmes (JPs) of academic character, such as PhDs and Master's courses. Summer schools, seminars and workshops may also be eligible provided they envisage a teaching element, a minimum duration of one week, and an award certificate.
- b) A JP can be submitted either by nationally recognised universities or other institution of higher learning provided that the latter has an adequate academic profile.
- c) A JP presupposes the co-operation of at least two universities/institutions of higher learning belonging to the CEI Member States. Priority is given to JPs involving Participating Universities from CEI non-EU Member States (Albania, Belarus, Bosnia and Herzegovina, Croatia, Macedonia, Moldova,

[?] courses starting at the beginning of 2010 may also be accepted.

Montenegro, Serbia, Ukraine) and involving a larger number of Universities.

d) There are six (6) main areas of cooperation of the CEI University Network:

- Economics
- Infrastructure and Transport
- Regional Development and Urban Planning
- Public Administration and Governance Models
- ICT
- Environment

Other areas of co-operation are not excluded if the merit of a Joint Programme proposed justifies its adoption.

e) The language of instruction of a JP is to be English.

f) A JP is based on the principle of mobility of both students and teaching staff.

g) CEI financial support to a JP consists of scholarships to visiting students and grants to visiting teachers from abroad. This means that a student or teacher will not be financially supported while attending or teaching courses at his/her home University. If, however, part of a Joint Programme takes place at another Participating University abroad, he/she will be eligible for funding from the CEI.

h) The compensation (currency used: Euro) depends on the duration of a Joint Programme and the cost of living of the country/ies where it is implemented. It will, therefore, be determined on a case by case basis as follows:

It usually covers accommodation, travel, applicable health and accident insurance premiums as well as a compensation on a daily/weekly/monthly basis for teachers and on a monthly basis for students.

Teachers:

Duration	Costs of stay (payoff + accommodation + living exp. in €)
1 day	150
1 week	900
2 weeks	1 300
3 weeks	1 800
4 weeks	2 200
Further weeks	500

Students (monthly amount):

In Austria and Italy: €600,

In other EU Member States of the CEI (Bulgaria, Czech Republic, Hungary, Poland, Romania, Slovakia, Slovenia): €500

in non-EU Member States of the CEI (Albania, Belarus, Bosnia and Herzegovina, Croatia, Macedonia, Moldova, Montenegro, Serbia, Ukraine): €400

i) Upon request by the JP Co-ordinator, a certain amount of the CEI contribution may be used to cover the costs of promotional material such as leaflets, brochures and posters. In exceptional cases, especially when the Applicant University belongs to a CEI Country in special need, the CEI contribution may also cover a certain proportion of the pre-organisational costs for setting up the Joint Programme itself, as well as visa expenses.

CEI visibility must be guaranteed by the use of the CEI University Network logo on all documentation and specific teaching material used in a Joint Programme.

j) Any degree or certificate awarded in the context of a CEI JP shall be identified as such and bear the CEI University Network logo.

k) While it is possible that a JP is implemented in one location only, efforts should be made to involve at least another Participating University in its implementation. In practical terms, this means that in case of a one-year course, one semester each could be offered by two of the Participating Universities ("Split Joint Programmes").

3. SELECTION PROCEDURE

Upon recommendation of the Secretary General of the CEI University Network the Executive Board composed of the Coordinating Universities of the CEI UniNet will evaluate the applications (see *list of contacts attached herewith*).

The list of the proposals selected will be published on the CEI website (www.ceinet.org) once this process is concluded.

4. HOW TO APPLY

- a) the Applicant University is to send its Joint Programme Proposal (by e-mail and post mail) both to **the Coordinating University** of its country as well as **to the CEI Executive Secretariat** by **20 November** (see *list of contacts attached herewith*).

The Application Form is available on the CEI Website: www.ceinet.org (see: 4.3.2.1.1. NEWS)

- b) The Legal Representative (i.e. Rector) of the Applicant University must sign the Application Form.
- c) The JP Co-ordinator, in charge of the preparation and administration of a Joint Programme, is to hold an academic position within the Applicant University.

Important:

Filling in the Application Form properly in all its parts is a pre-requisite for the participation in the Call for Proposals.

All necessary information is also available at: www.ceinet.org (see: 4.3.2.1.1. NEWS)
