### 1. Sprint 0 review / Sprint 0 retrospective

We reviewed product backlog items to define which were done, and which ones are still in progress or to do.

### 2. Sprint 1 backlog

We defined tasks for explorer and team members who will work on these tasks :

- Start Angular project : Filip and Adrien
- Start Django project : Zvonimir
- Write Django migrations : Emanuel
- Search courses algorithm : Thomas
- Build Angular template / Design search page : Sebastian, Matej
- Design results page : ?
