### 1. Project talk

Prof. Bosiljevac read the project description and presented us the problems that Erasmus students are facing when searching courses on foreign faculty. Also he told us problems Faculties are facing, when foreign students are coming to their faculty.

#### CONCLUSION:

- To many courses to search in PDF syllabus.
- Is course taught in English - problem for faculty?
- How many ECTS course have?
- Undergraduate or graduate student? Very important for the faculty!
- Only course explorer would be of much use, course comparison would also be fantastic!
- We are on very good track, we identified the problem and have solution for it

**ACTION:** Zvonimir, Filip, Emanuel to have meeting with rest of the team and tell them coordinator opinion.
