1. General discussion

- Discussion about possible project name
- Possible way of implementing payment mode
- Next week project plan presentation and project plan document
- Assigning more roles on the project
- Discussion on system application and possible way of implementing
- Other possible development model
- Some unclear ideas and questions to our supervisor

CONCLUSION:

- Project plan presentation is going to be done by members from Croatia
- More roles assigned (Mislav and lidia will work on svn policy and code document, vice and kaushik on requirement document, Faizul and Lidia on project plan document)
- Meeting with customer to clarify some important issues
- Regular meetings on Wednesdays and after DSD class
- Individual researching on unclear idea(SMS gateway and deep research on development model)
- To create Google calendar for project milestone deadlines

ACTION:

- Everybody to think and come up with cool name
