1. Reading of the summary document

DONE: The team have finished the presentation for tomorrow.

DONE: The team have decided the roles and discuss them

DONE: The team have decided the name of the project.

TO DO: We have to finish the UML, the new mockups, and make a draft of the presentation for next Monday.

CONCLUSION: The team focused in design the roles for everyone, as make clear the work for each role. After that, we spent some time trying to find a good name for the project.

2. Next Steps:

Everyone will start to work, since we have the first sprint in 4-5 days. We will submit as well the Requirements and Design documentation, as we started to keep in mind the next deliverable.
