<b>Responsible</b>	Biljana Stanić	<b>Location /type</b>	Type: Skype Meeting Västerås-Petrinja

Attended by	Location	Remarks
Biljana Stanić	Skype/Västerås	
Marko Vuglec	Skype/Petrinja	
Abdur Razzaque	Skype/Västerås	

**1. Demonstration of the “Generating reports” functionality**

Some team members met for the purposes of demonstration “Generating reports” functionality and to discuss about minor changes that have to be added.

**Conclusion:**

Since Abdur is doing this task, he has to improve it in sense of generating reports for the specific call/application and not only of all of them at once.

**Action:**

Abdur will continue to improve this functionality.
