### 1. FIRST SPRINT RETROSPECTIVE

**CONCLUSION:** Not all the requirements programmed to be finished for the end of this sprint have been actually completed. These requirements will be completed in the next sprint along with the ones programmed for the second sprint. Since JJ Crespi has left the team, the role of tester will be dismissed : everyone will do the necessary tests for the requirements defined for the second sprint. The rhythm lot of work need to be increased to complete all the tasks programmed.

**ACTION:** Jean Barrè will start and finish before the alpha presentation a base gui for Plunner and will integrate that with the front end logic already designed

**ACTION:** The alpha presentation will be held by the swedish team

**ACTION:** From now on Giorgio Pea will be the Scrum Master
