## 1. Scrum Master choice

We need to choose a Scrum master for the second sprint.

**CONCLUSION: Hossein will be the Scrum master.**

## 2. Sprint 2

The existing software structure is still not clear for some group members.

Nobody compiled the existing application.

We need to write the design description , we missed the deadline.

We need to redo the requirement document because of the change of requirements.

We will try to compile and run the existing software tomorrow. If we do not succeed to that, we will setup another meeting with the customer.

**CONCLUSION: We are not ready to start the sprint.**

**ACTION:** We postpone the sprint start to Wednesday night.

**ACTION:** Another meeting will be help on Wednesday night.
