

Lets Help Bo project Test report version 2.0

This document present test results based on acceptance test plan document and requirements definition document. All the test cases must run as followed in acceptance test plan and register test results

No	Test case ID	Role	Test case Name	Description	Date	Status	Tester	Bug	Version	Case type
1	ANONYM-001	Anonymus	Accessing the Home Page Desktop	An anonymous user should not be able to access the homepage of the web application.	1/10/2013	Pass	Petar Stojanac	none	1	Negative
2	ANONYM-002	Anonymus	Accessing the Home Page on Mobile	An anonymous user should not be able to access the homepage of the web application.	1/10/2013	Pass	Petar Stojanac	none	1	Negative
3	PRDCTSUPER-001	Production supervisor	Accessing the Home page on Desktop/Mobile	The production supervisor gets access to the home page where he is able to see the sections that concerns only him.	1/10/2013	Pass	Niklas Gillström	none	1	Positive
4	PRDCTSUPER-002	Production supervisor	View the list of Work orders on Desktop	View the list of existing work orders in the system.	1/10/2013	Pass	Niklas Gillström	none	1	Positive
5	PRDCTSUPER-003	Production supervisor	View the list of Work orders on Mobile	View the list of existing work orders in the system.	1/10/2013	Pass	Niklas Gillström	none	1	Positive
6	PRDCTSUPER-004	Production supervisor	Adding not urgent Work order on Desktop	Adding a new work order into the system, to be executed by a Machine Operator.	1/10/2013	Pass	Niklas Gillström	none	1	Positive
7	PRDCTSUPER-005	Production supervisor	Adding not urgent Work order on Mobile	Adding a new work order into the system, to be executed by a Machine Operator.	1/10/2013	Pass	Niklas Gillström	none	1	Positive
8	PRDCTSUPER-006	Production supervisor	Adding urgent Work order on Desktop	Adding a new work order into the system, to be executed by a Machine Operator.	1/10/2013	Pass	Niklas Gillström	none	1	Positive
9	PRDCTSUPER-007	Production supervisor	Adding urgent Work order on Mobile	Adding a new work order into the system, to be executed by a Machine Operator.	1/10/2013	Pass	Niklas Gillström	none	1	Positive
10	PRDCTSUPER-008	Production supervisor	Editing a Work order successfully on Desktop	Editing an existing work order.	1/10/2013	Pass	Niklas Gillström	none	1	Positive
11	PRDCTSUPER-009	Production supervisor	Editing a Work order successfully on Mobile	Editing an existing work order.	1/10/2013	Pass	Niklas Gillström	none	1	Positive
12	PRDCTSUPER-010	Production supervisor	Failing to edit a Work order on Desktop	Trying to edit an existing Work order, but failing to do so.	1/10/2013	Pass	Niklas Gillström	none	1	Negative
13	PRDCTSUPER-011	Production supervisor	Failing to edit a Work order on Mobile	Editing an existing work order.	1/10/2013	Pass	Niklas Gillström	none	1	Negative
14	PRDCTSUPER-012	Production supervisor	Add work order to work order pool Desktop	Adding work order to work order pool. so any user can pick it up	1/10/2013	Pass	Niklas Gillström	none	1	Positive
15	PRDCTSUPER-013	Production supervisor	Add work order to work order pool Mobile	Adding work order to work order pool. so any user can pick it up	1/10/2013	Pass	Niklas Gillström	none	1	Positive
16	PRDCTSUPER-014	Production supervisor	Editing a Work order of work order pool on Desktop	Editing an existing work order from work order pool.	1/10/2013	Pass	Niklas Gillström	none	1	Positive
17	PRDCTSUPER-015	Production supervisor	Editing a Work order of work order pool on Mobile	Editing an existing work order from work order pool.	1/10/2013	Pass	Niklas Gillström	none	1	Positive
18	PRDCTSUPER-016	Production supervisor	Add template on desktop	adding template of work order for instant filing forms of work order in create work order.	1/10/2013	Pass	Niklas Gillström	none	1	Positive
19	PRDCTSUPER-017	Production supervisor	Add template on mobile	adding template of work order for instant filing forms of work order in create work order.	1/10/2013	Pass	Niklas Gillström	none	1	Positive
20	PRDCTSUPER-018	Production supervisor	Add work order with template Desktop	Adding work order using template of work order. It will fill forms instantly.	1/10/2013	Pass	Rasul Niyazimbetov	none	1	Positive
21	PRDCTSUPER-019	Production supervisor	Add work order with template Mobile	Adding work order using template of work order. It will fill forms instantly.	1/10/2013	Pass	Rasul Niyazimbetov	none	1	Positive

22	PRDCTSUPER-020	Production supervisor	Edit template on Desktop	The properties of templates will be changed.	1/10/2013	Pass	Rasul Niyazimbetov	none	1	Positive
23	PRDCTSUPER-021	Production supervisor	Edit template on Mobile	The properties of templates will be changed.	1/10/2013	Pass	Rasul Niyazimbetov	none	1	Positive
24	PRDCTSUPER-022	Production supervisor	Delete template on Desktop	The template will be deleted from database	1/10/2013	Pass	Rasul Niyazimbetov	none	1	Positive
25	PRDCTSUPER-023	Production supervisor	Delete template on Mobile	The template will be deleted from database	1/10/2013	Pass	Rasul Niyazimbetov	none	1	Positive
26	MACHOPER-001	Machine operator	Accessing the Home Page on Desktop/Mobile	The Machine operator gets access to the home page where he is able to see the sections that concerns only him.	1/10/2013	Pass	Rasul Niyazimbetov	none	1	Positive
27	MACHOPER-002	Machine operator	Make booking on Desktop	Machine operator should be able to make booking	1/10/2013	Pass	Rasul Niyazimbetov	none	1	Positive
28	MACHOPER-003	Machine operator	Make booking on Mobile	Machine operator should be able to make booking	1/10/2013	Pass	Rasul Niyazimbetov	none	1	Positive
29	MACHOPER-004	Machine operator	View bookings on Desktop	Machine operator should be able to see all his bookings	1/10/2013	Pass	Rasul Niyazimbetov	none	1	Positive
30	MACHOPER-005	Machine operator	View bookings on Mobile	Machine operator should be able to see all his bookings	1/10/2013	Pass	Rasul Niyazimbetov	none	1	Positive
31	MACHOPER-006	Machine operator	View work order on Desktop	Machine operator should be able to view work order details and shortest path to work order	1/10/2013	Pass	Rasul Niyazimbetov	none	1	Positive
32	MACHOPER-007	Machine operator	View work order on Mobile	Machine operator should be able to view work order details and shortest path to work order	1/10/2013	Pass	Rasul Niyazimbetov	none	1	Positive
33	MACHOPER-008	Machine operator	Mark work order as finished on Desktop	Machine operator should be able to mark work order as finished	1/10/2013	Pass	Rasul Niyazimbetov	none	1	Positive
34	MACHOPER-009	Machine operator	Mark work order as finished on Mobile	Machine operator should be able to mark work order as finished	1/10/2013	Pass	Rasul Niyazimbetov	none	1	Positive
35	MACHOPER-010	Machine operator	Mark work order as not finished on Desktop	Machine operator should be able to mark work order as not finished	1/10/2013	Pass	Rasul Niyazimbetov	none	1	Positive
36	MACHOPER-011	Machine operator	Mark work order as not finished on Mobile	Machine operator should be able to mark work order as not finished	1/10/2013	Pass	Rasul Niyazimbetov	none	1	Positive
37	MACHOPER-012	Machine operator	View Notification panel on Desktop	Machine operator should be able to see added/updated work orders from notification panel	1/10/2013	Pass	Rasul Niyazimbetov	none	1	Positive
38	MACHOPER-013	Machine operator	View Notification panel on Mobile	Machine operator should be able to see added/updated work orders from notification panel	1/10/2013	Pass	Rasul Niyazimbetov	none	1	Positive
39	MACHOPER-014	Machine operator	Add work order from work order pool Desktop	Machine operator should be able to add new work orders from work order pool	1/10/2013	Pass	Rasul Niyazimbetov	none	1	Positive
40	MACHOPER-015	Machine operator	Add work order from work order pool Mobile	Machine operator should be able to add new work orders from work order pool	1/10/2013	Pass	Rasul Niyazimbetov	none	1	Positive
41	MACHOPER-016	Machine operator	Add work order with same time from work order pool on desktop	Machine operator not be able to add work order from work order pool with same time duration of his/her not finished work order	1/10/2013	Pass	Rasul Niyazimbetov	none	1	Negative
42	MACHOPER-017	Machine operator	Add work order with same time from work order pool on mobile	Machine operator not be able to add work order from work order pool with same time duration of his/her not finished work order	1/10/2013	Pass	Rasul Niyazimbetov	none	1	Negative
43	MAINTSUPER-001	Maintenance supervisor	Accessing the Home Page on Desktop/Mobile	The Maintenance supervisor gets access to the home page where he is able to see the sections that concerns only him.	1/10/2013	Pass	Niklas Gillström	none	1	Positive
44	MAINTSUPER-002	Maintenance supervisor	Add inventory product on Desktop	Maintenance operator should be able to add inventory products	1/10/2013	Pass	Niklas Gillström	none	1	Positive

45	MAINTSUPER-003	Maintenance supervisor	Add inventory product on Mobile	Maintenance operator should be able to add inventory products	1/10/2013	Pass	Niklas Gillström	none	1	Positive
46	MAINTSUPER-004	Maintenance supervisor	Edit/Delete inventory item on Desktop	Maintenance operator should be able to edit and delete inventory items	1/10/2013	Pass	Niklas Gillström	none	1	Positive
47	MAINTSUPER-005	Maintenance supervisor	Edit/Delete inventory item on Mobile	Maintenance operator should be able to edit and delete inventory items	1/10/2013	Pass	Niklas Gillström	none	1	Positive
48	MAINTSUPER-006	Maintenance supervisor	Add inventory item to warehouse on Desktop	Maintenance operator should be able to add inventory items to warehouse	1/10/2013	Pass	Niklas Gillström	none	1	Positive
49	MAINTSUPER-007	Maintenance supervisor	Add inventory item to warehouse on Mobile	Maintenance operator should be able to add inventory items to warehouse	1/10/2013	Pass	Niklas Gillström	none	1	Positive
50	MAINTSUPER-008	Maintenance supervisor	View bookings on Desktop	Maintenance operator should be able to view bookings	1/10/2013	Pass	Niklas Gillström	none	1	Positive
51	MAINTSUPER-009	Maintenance supervisor	View bookings on Mobile	Maintenance operator should be able to view bookings	1/10/2013	Pass	Niklas Gillström	none	1	Positive
52	MNCTRLOPR-001	Mine control operator	Accessing the Home page on Desktop/Mobile	The Mine Control Room Operator gets access to the home page where he is able to see the sections that concern only him.	1/11/2013	Pass	Niklas Gillström	none	1	Positive
53	MNCTRLOPR-002	Mine control operator	Create a Tunnel on Desktop	Creating a Tunnel on the Map.	1/11/2013	Pass	Niklas Gillström	none	1	Positive
54	MNCTRLOPR-003	Mine control operator	Create a Tunnel on Mobile	Creating a Tunnel on the Map.	1/11/2013	Pass	Niklas Gillström	none	1	Positive
55	MNCTRLOPR-004	Mine control operator	Edit a Tunnel on Desktop	Editing a Tunnel on the Map. The tunnel can be edited as it is closed or opened and the tunnel name can be changed.	1/11/2013	Pass	Niklas Gillström	none	1	Positive
56	MNCTRLOPR-005	Mine control operator	Edit a Tunnel on Mobile	Editing a Tunnel on the Map. The tunnel can be edited as it is closed or opened and the tunnel name can be changed.	1/11/2013	Pass	Niklas Gillström	none	1	Positive
57	MNCTRLOPR-006	Mine control operator	Create a Hotspot on Desktop	Creating a hotspot type as Room on the Map.	1/11/2013	Pass	Niklas Gillström	none	1	Positive
58	MNCTRLOPR-007	Mine control operator	Create a Hotspot on Mobile	Creating a hotspot type as Room on the Map.	1/11/2013	Pass	Petar Stojanac	none	1	Positive
59	MNCTRLOPR-008	Mine control operator	Editing a Hotspot on Desktop	Edit an existing Hotspot.	1/11/2013	Pass	Petar Stojanac	none	1	Positive
60	MNCTRLOPR-009	Mine control operator	Editing a Hotspot on Mobile	Edit an existing Hotspot.	1/11/2013	Pass	Petar Stojanac	none	1	Positive
61	MNCTRLOPR-010	Mine control operator	Deleting a Hotspot on Desktop	Delete an existing Hotspot.	1/11/2013	Pass	Petar Stojanac	none	1	Positive
62	MNCTRLOPR-011	Mine control operator	Deleting a Hotspot on Mobile	Delete an existing Hotspot.	1/11/2013	Pass	Petar Stojanac	none	1	Positive
63	SYSADMIN-001	System administrator	Accessing the Home Page on Desktop/Mobile	The System administrator gets access to the home page where he is able to see the sections that concerns only him.	1/11/2013	Pass	Petar Stojanac	none	1	Positive
64	SYSADMIN-002	System administrator	Add user on Desktop	System administrator should be able to add user	1/11/2013	Pass	Petar Stojanac	none	1	Positive
65	SYSADMIN-003	System administrator	Add user on Mobile	System administrator should be able to add user	1/11/2013	Pass	Petar Stojanac	none	1	Positive
66	SYSADMIN-004	System administrator	Add existing user on Desktop	Adding user with with name that exist should show error	1/11/2013	Pass	Petar Stojanac	none	1	Negative
67	SYSADMIN-005	System administrator	Add existing user on Mobile	Adding user with with name that exist should show error	1/11/2013	Pass	Petar Stojanac	none	1	Negative
68	SYSADMIN-006	System administrator	Search user on Desktop	System administrator should be able to search existing user in database.	1/11/2013	Pass	Petar Stojanac	none	1	Positive
